

## "When You Trap A Tiger" by Tae Keller

**About *When You Trap a Tiger*:** When Lily and her family move in with her sick grandmother, a magical tiger straight out of her halmoni's Korean folktales arrives, prompting Lily to unravel a secret family history. Long, long ago, Halmoni stole something from the tigers. Now they want it back. And when one of the tigers approaches Lily with a deal--return what her grandmother stole in exchange for Halmoni's health--Lily is tempted to agree. But deals with tigers are never what they seem! With the help of her sister and her new friend Ricky, Lily must find her voice...and the courage to face a tiger.

**About The Author:** Tae Keller was born and raised in Honolulu, where she grew up on purple rice, Spam musubi, and her halmoni's tiger stories. She is the Newbery Medal-winning author of *When You Trap a Tiger* and *The Science of Breakable Things*. She lives in Seattle. ### Read Aloud Tips:

- Introduce the book by having students describe a time when they used courage to face a challenge.
- This book can be used to explore heritage and tradition of Korea and Korean culture.
- As this book will be filled with suspense, continually engage in discussion with students about what they predict will happen next.
