

Mental Health Referendum

When to Vote: April 15th–19th on Laker Connect

What is the Referendum

Have you ever had mental health issues, and you would love to have resources on campus at a low price?

This is your time to raise your voice and vote YES to have access to these services!

A Vote Yes Means:

- Up to 12 sections per semester, which is equal to 1 session every week and a half.
- \$150 .Per Semester
- Start getting access in the Fall of 2024.
- Accessible mental health services on campus.
- Online and In-Person specialist sessions.

Why should you care

- All Roosevelt Students will have access to mental health care.
- No insurance needed it.
- If passed, further health services would be implemented in the future

A Vote No Means

- No new counseling services will be added
- Timley-Care will continue to be the source of care
- Fees will continue to be \$27 per semester

Usually in-person therapy costs about \$1,800 for 12 sessions. You would have access to these resources for only \$150.
